

Colorado CTE Course – Scope and Sequence

Course Name	ParaProfess	sional Educator 1A	Course Details Course = 0.50 Carnegie Unit Credit	65 class periods- 45 minutes each or 41 class periods-90 minutes each	
Course Description	This is the first semester of a year-long course. Students that complete this course are eligible for a Paraprofessional Certificate and college credit. Upon completion of this training students will be prepared to enter the workforce as an educational assistant. This also provides the foundation necessary for students interested in becoming a teacher. The course provides training in instructional methods, use of technology, behavior management techniques and includes training for a CPR and First Aid Certificate.				
Note:	This is a suggested scope and sequence for the course content. The content will work with any textbook or instructional resource. If lo adapted, make sure all essential knowledge and skills are covered.				
SCED Identification #	Schedule calculation based on 60 calendar days of a 90-day semester. Scope and sequence allows for additional time for guest speakers, student presentations, field trips, remediation, or other content topics.				

All courses taught in an approved CTE program must include Essential Skills embedded into the course content. The Essential Skills Framework for this course can be found at https://www.cde.state.co.us/standardsandinstruction/essentialskills The technical standards for Family and Consumer Sciences are found on the National Administrators for Family and Consumer Sciences website at http://www.nasafacs.org/national-standards-and-competencies.html

Instructional Unit Topic	Suggested Length of Instruction	CTE or Academic Standard Alignment Council for Exceptional Children: SPED Paraeducator Standards	Competency / Performance Indicator	Outcome / Measurement	CTSO Integration
Instructional Teamwork CO Essential Skills: Self-Awareness Collaboration/Teamwork Communication Character Career Awareness	15 hours	Preparation Standard 2: Learning Environments PCCG.2.K5-Communicative intent Standard 5: Instructional Planning & Strategies PCCG.5.S1-follow written lesson plans, seeking clarification when needed. PCCG.5.S2-prepare and organize materials to support teaching and learning determined by team. PCCG.5.S3-Use instructional strategies and materials determined by team.	SWBAT: 1. Recognize effective and disruptive characteristics of team communication. 2. Know the characteristics of effective team functioning. 3. Identify levels of decision making in teams, schools, and districts. 4. Recognize your own strengths and weaknesses as a team member. 5. Differentiate between paraeducators' and professionals' roles and responsibilities.	-WorkStyle Preferences -Who's Role Is It? -How you Act in ConflictParaeducator Skills & Confidence Inventory -Reflective Journal Entry #1 -Practicum	-Career Investigation -Interpersonal communications

		Preparation Standard 6: Professional Learning and Ethical Practices PCCG.6.K1 Roles & Responsibilities of the paraeducator related to instruction, intervention and direct service PCCG.6.S1 Practice within the limits of the defined Paraeducator role Preparation Standard 7: Collaboration PCCG.7.K2 Roles and Relationships of paraeducators and other stakeholders on the instructional team. PCCG.7.S5 communicate effectively with stakeholders as determined by the instructional team.	6.Recognize the ethical and legal responsibilities of paraeducators (e.g. maintaining confidentiality, paraeducator code of ethics). 7. Know the role of the paraeducator to lead students toward increasingly independent behaviors. 8. Identify the components of an effective direct instruction lesson. 9. Recognize the characteristics of an effective cooperative learning lesson. 10. Know the value of peerteaching. 11. Know how to follow a written lesson plan. 12. Know the rationale of cognitive modeling and coaching. 13. Know basic principles of behavior modification. 14. Recognize the need for functional assessment of behavior. 15. Know how to establish basic rules, procedures, and routines with students. 16. Know basic principles of communication with students. 17. Know basic management strategies for minor behavior problems.		
Orientation to Special Education CO Essential Skills:	15 hours	Preparation Standard 1: Learner Development & Individual Learning Differences PCCG.1.K1-Typcial and atypical human growth & development	SWBAT: 1. Identify major laws and court rulings that have helped shape special education services.	-Knowledge Assessment (History of SPED) - Understanding Disabilities PPTSPED Process in Colorado assignment	Advocacy Focus on Children Teach & Train ECE

Perseverance/Resilience
collaboration/Teamwork

technologies

PCCG.1.K3-Educational implications of characteristics of various exceptionalities. PCCG.1.K8-common concerns of families of individuals with exceptionalities Preparation Standard 2: Learning Environments PCCG.2.K2-Rights and responsibilities of individuals with exceptionalities PCCG.2.K3-Eligibility categories for special education and supports and services typically associated with each category. PCCG.2.S1-Faciliate the integration of individuals with exceptionalities into various settinas.

PCCG.2.S1-Faciliate friendships as determined by the instructional team PCCG.2.S4-provide least intrusive level of support based on team & environment

- 2. Describe the legal rights of students with disabilities and the qualification processes for special education services and 504 plans.
- 3. Identify processes of special education services in your state.
- 4. Identify the concerns and experiences with inclusion and explain the values and rationale for inclusion of students with disabilities into general education.
- 5. Identify major cognitive, affective, physical, and communicative milestones of typically developing children and youth.
- 6. Recognize the principles of Universal Design for Learning.
- 7. Identify the risk factors that may prohibit or impede typical development and the protective factors that may allow learners to be resilient.
- 8. Describe how beliefs about people with disabilities are related to life experiences.
- 9. Use person-first language by talking and writing about people with disabilities in ways that honor their dignity and respect their value.
- 10. Identify categories of disability according to state and national laws.
- 11. Recognize the cognitive, communicative, physical, and affective needs that students may have as a result of a disability.

			12. Assemble information about specific disabilities, syndromes, and medical conditions using internet and library resources. 13. Describe responsibilities and practice associated with maintaining the physical health and safety of students. 14. Discuss the obligation of all school personnel to report child abuse, suicidal ideation, and/or dangerous behavior. 15. Describe techniques that promote interactions and facilitate friendships among students with and without disabilities. 16. Describe responsibilities and practice associated with maintaining the physical health and safety of students.		
Student Supervision CO Essential Skills: Self-Awareness Personal Responsibility Critical Thinking/ Problemsolving Collaboration/Teamwork Character Self-Advocacy Leadership	15 hours	Preparation Standard 2: Learning Environments PCCG.2.S7-Support safe, equitable, positive, and supportive learning environments in which diversities are valued as determined by team. PCCG.2.S8-Establish and maintain rapport with learners.	SWBAT: 1.Identify rules and procedures for emergency situations. 2. Explain how to establish rules and plan for discipline. 3. Identify the role of the paraeducator in lunchroom supervision. 4. Name lunchroom safety precautions and first aid specific to the lunchroom. 5. Explain rules and procedures to be followed in lunchroom emergencies.	-Accident reporting form -Think-Room-Pink Slip form -First Aid/CPR/AED certification -Reflective Journal Entry #3 -Practicum	Interpersonal communications Teach & Train ECE

PCCG.2.S9-Adapt the physical environment to provide optimal learning opportunities as determined by team.

PCCG.2.S11-Promote selfadvocacy and independence. PCCG.2.S12-Use universal precautions to assist in maintaining a safe, healthy learning environment.

PCCG.2.S13-Protect the health and safety of individuals with exceptionalities.

PCCG.2.S14-Support individuals with exceptionalities by modeling and facilitating the use of collaborative problemsolving and conflict management.

PCCG.2.S15-Implement active supervision when responsible for noninstructional groups as determined by team.

PCCG.2.S16-use strategies as determined by the instructional team in a variety of settings to assist in the development of social skills.

- 6. Demonstrate a variety of signals for getting students' attention in the lunchroom.
- 7. Demonstrate eating procedures for students with special eating needs.
- 8. Conduct an ecological inventory to determine natural supports available in the lunchroom.
- 9. Demonstrate instructional methods for teaching prosocial lunchroom behaviors.
- 10. Show how to foster relationships among students in the lunchroom.
- 11. Identify the role of the paraeducator in playground and instructional environment supervision.
- 12. Explain standard rules and instructional methods for typical playground games.
- 13. Explain safety precautions for children using playground equipment.
- 14. Explain rules and procedures to be followed in playground emergencies.
- 15. Demonstrate a variety of signals for getting students' attention on the playground.
- 16. Conduct an ecological inventory of natural supports available on the playground.
- 17. Demonstrate instructional methods for teaching prosocial playground skills.
- 18. Show how to foster relationships among students on the playground.
- 19. Recognize conflicts among students on the playground.

			20. Explain how to mediate conflicts among students on the playground. 21. Demonstrate methods for resolving conflicts among students on the playground. 22. Explain how to initiate, maintain, and supervise peer mediation programs on the playground. 23. Explain how the principles of playground supervision apply to the supervision of students in other instructional settings. 24. Identify the role of the paraeducator in school bus supervision. 25. Explain how to establish rules, routines, and procedures for school bus riding. 26. Explain how to maintain order on the school bus. 27. Explain rules and procedures to be followed in school bus emergencies. 28. Describe basic school bus operation procedures.		
Behavioral Management	15 hours	Preparation Standard 2: Learning Environments PCCG.2.K4-Rules and	SWBAT: 1.Explain how to establish rules, routines, and procedures for students.	-Practice writing and teaching rules -Define behavior and give examples -Answer Define, Personalize and challenge questions	Interpersonal communications Teach & Train ECE
CO Essential Skills: Self-Awareness Personal Responsibility Critical Thinking/ Problemsolving Collaboration/Teamwork Character Self-Advocacy		procedural safeguards regarding behavioral support of individuals with exceptionalities. PCCG.2.K6-Importance of the paraeducator serving as a	 Demonstrate how to teach rules, routines, and procedures for students. Define behavior. Identify the motivations behind behavior.
