

Course Title: ACE CTE PWR III

Course Description: This class is designed to help students acquire the skills necessary for successful transition to their Postsecondary working life. Students will learn to apply critical thinking and academic knowledge in order to create plans and potential solutions for problems in the workplace and community, and assess the pros and cons of personal decisions based on their anticipated impact on self, peers, employers, and community. The course content will allow students to examine the concepts of money management, budgeting, consumer awareness, housing/apartment living, paying for and gaining entry into Postsecondary training, stress management, learning how to successfully move out, living on your own, finances, and acquiring and securing Postsecondary housing options.

Week	Topic	CTE Standard(s)
		<p>Students will...</p> <ol style="list-style-type: none"> 1. Apply critical thinking in creating pro-active solutions within their career environment and community. 2. Test and implement personal decision-making skills to understand their impact on quality civic engagement. 3. Study and implement personal responsibility and how it is essential to best financial practices through examining the concepts of money management, budgeting, and consumer awareness. 4. Explore multiple options for critical thinking in order to analyze, critique, and choose options for Postsecondary life and self-sufficiency by examining the concepts of housing/apartment living, paying for and gaining entry into Postsecondary training, learning how to successfully move out, living on your own, finances, and acquiring and securing Postsecondary housing options.
