Course Description
IB Business and Management courses prepare students to take the International Baccalaureate Business Management exam at either the Standard or Higher Level. In keeping with Individual and Society courses, IB Business and Management promotes problem-solving by identifying the problem, selecting and interpreting data, applying appropriate analytical tools, and recommending solutions by evaluating their quantitative and qualitative implications. These courses also equip students with knowledge and understanding of business terminology, concepts and principles.

SCED Identification # | 10157 | Schedule calculation based on 60 calendar days of a 90-day semester. Scope and sequence allow for additional time for guest speakers, student presentations, field trips, remediation, or other content topics.

All courses taught in an approved CTE program must include Essential Skills embedded into the course content. The Essential Skills Framework for this course can be found at [https://www.cde.state.co.us/standardsandinstruction/essentialskills](https://www.cde.state.co.us/standardsandinstruction/essentialskills)
