

Social Activities

To increase cooperation in the school and community through activities that allow CTSO members to get to know each other in something other than a business or classroom setting.

Public Relations

Make the general public aware of the good work that students in career and technical education are doing to better themselves and their community, state, nation and world.

Financial Leadership Activities

Plan and participate in activities to allow all members to carry out the chapter's projects.

Educate members on their own personal finance for current and future success.

Program of Work Components

Professional Development

Prepare each member for entry into the workforce and provide a foundation for success in a career.

Becoming a professional does not stop with acquiring a skill, but involves an increased awareness of the meaning of good citizenship and the importance of labor and management in the world of work.

Community Service

Promote and improve good will and understanding among all segments of the community through services donated by CTSO chapters, and to instill in its members a lifetime commitment to community service.

Business & Industry Connections

Increase awareness of quality job practices and attitudes, and to increase the opportunities for employer engagement and eventual employment.
