

Networking Systems & Security Pathway (110101)

Credential: Information Technology

Level 1 Courses	Level 2 Courses	Level 3 Courses	Level 4 Courses
Computer Science Foundations (A/B)	Cybersecurity I (A/B)	Cybersecurity II (A/B)	Work Based Learning: Networking Systems & Security
PLTW Computer Science Essentials	AP Computer Science Principles (A/B)	Networking (A/B)	Capstone: Networking Systems & Security
Introduction to PC Applications	PLTW Computer Science Principles (A/B)	PLTW Cybersecurity (A/B)	Cabling and Internetworking (A/B)
	Coding I (A/B)	Operating Systems	IT Clinical Internship
	Computer Systems	Any Concurrent Enrollment Cybersecurity Course	Any Concurrent Enrollment Cybersecurity Course
		Any Concurrent Enrollment Networking Systems Course	Any Concurrent Enrollment Networking Systems Course

Industry credentials available in this pathway

AP Computer Science Principles AP Computer Science A
CompTIA A+
CompTIA Networking+
CompTIA Security+
(ISC)² Systems Security Certified
Practitioner (SCCP) or Associate
