Fiscal year ends – all expenses including equipment must be received by this date.

NOTE: Deadlines for education institutions are established to allow compliance with reporting requirements. If extenuating circumstances arise, please contact the appropriate CCCS staff member to request an extension to the deadline by the date indicated in that functional section. Please also understand that some of the dates for which CCCS has deliverables to the field are target dates. CCCS will work to meet these dates as much as possible but there may be factors outside of our control (for example, when we are released funding to then release to the field).
